Product Manager

Position:	Product Manager
Department:	Product Management
Location:	🇲🇾 Kuala Lumpur, Selangor / Hybrid
Employment Type:	Full-time
Salary Range:	RM 7,000 - RM 10,000 per month
Experience Level:	Mid to Senior (3+ years)

About TechCorp Malaysia

TechCorp Malaysia is a leading Malaysian technology company specializing in cloud-based solutions and innovative software products. Based in Kuala Lumpur with operations across Southeast Asia, we're committed to building cutting-edge technology that transforms how businesses operate in the digital economy. We pride ourselves on being a truly Malaysian company that competes globally while contributing to the local tech ecosystem.

Job Summary

We are looking for an experienced Product Manager to drive the strategy, development, and execution of our core product offerings for the Southeast Asian market. You will work closely with engineering, design, marketing, and sales teams

to deliver exceptional user experiences that meet the unique needs of Malaysian and regional customers while driving business growth.

Key Responsibilities

- Define product vision, strategy, and roadmap aligned with Malaysian and ASEAN market needs

- Conduct market research and competitive analysis within Southeast Asian tech landscape

- Gather and prioritize product requirements from regional customers and stakeholders

- Work closely with engineering teams to ensure timely and quality product delivery

- Collaborate with UX/UI designers to create culturally appropriate user experiences

- Analyze product metrics and regional user feedback to drive continuous improvement

- Communicate product updates and strategy to internal teams and external stakeholders

- Lead product launches and go-to-market strategies for Malaysian market

- Manage product lifecycle from conception to end-of-life

- Ensure compliance with local regulations (PDPA, consumer protection laws)

Required Qualifications

- Bachelor's degree in Business, Engineering, Computer Science, or related field from recognized Malaysian or international university

- 3+ years of product management experience, preferably in tech or SaaS

- Strong analytical and problem-solving skills

- Experience with product management tools (Jira, Confluence, Figma, etc.)

- Understanding of software development lifecycle and agile methodologies

- Excellent written and verbal communication skills in English and Bahasa Malaysia

- Ability to work cross-functionally and influence without authority

- Data-driven mindset with experience in analytics tools

- Customer-focused approach with strong empathy for user needs

- Understanding of Southeast Asian market dynamics and cultural considerations

- Malaysian citizenship or valid work permit

Preferred Qualifications

- MBA or advanced degree from Malaysian or international institution

- Experience in B2B SaaS products targeting ASEAN markets

- Technical background or ability to work effectively with engineering teams

- Experience with A/B testing and product experimentation

- Knowledge of cloud technologies and enterprise software

- Previous experience in Malaysian startup or high-growth environment

- Certification in product management (CSPO, CPM, etc.)

- Multi-lingual capabilities (Mandarin, Tamil, or other regional languages)

- Experience with e-commerce or fintech products in Malaysia

Key Skills

- Strategic thinking and execution

- User experience design principles

- Market research and competitive analysis

- Project management and prioritization

- Stakeholder management

- Data analysis and interpretation

- Product lifecycle management

- Go-to-market strategy for ASEAN markets

Benefits & Compensation

- Competitive salary: RM 7,000 - RM 10,000 monthly

- Performance bonus up to 2.5 months salary

- Medical and dental coverage for employee and family

- EPF contribution above statutory minimum

- SOCSO and EIS coverage

- Annual leave: 16 days + public holidays

- Hybrid work arrangements (3 days office, 2 days home)

- Professional development budget (RM 2,500 annually)

- Conference and training opportunities in Malaysia and Singapore

- Free parking and transportation allowance

- Company-sponsored team building and annual dinner

- Stock options program

- Health and wellness programs

How to Apply

Please send your resume, cover letter, and examples of products you've managed to **careers@techcorp.com.my** with the subject line "Product Manager Application - [Your Name]"

Required documents:
